Declares that the technical installation described below:

"Hydraulic Mobile Vertical Man Lift"

■ **Type: QUICK UP 9 AC**

■ **AHI's Model: UG25 AC**

■ **Serial Number : 183604**

Conforms to the provisions set by in the Essential Health and Safety Requirements of 2006/42/EC Machinery Directive Section 1.

■ **Certificate Nos. : MDC 1527**

Authorized Notified Body:

**SGS United Kingdom
Units 12a & 12b
Bowburn South Industrial Estate
Bowburn
Durham
DH6 5AD**

This is to certify that the machine is:

- In conformity with the provisions contained in Annex 4 and Annex 1, the Essential Health and Safety Requirements of the Machinery Directive 2006/42/EC section 1.
- Fulfills the principal requirements of the following harmonized standard:
EN 280:2013.

WARRANTY

PERSONNEL LIFT PRODUCTS

For a period of one (1) year after delivery, AHI warrants that each product manufactured by the Group shall be free from defects in material and workmanship and shall perform satisfactorily under normal working conditions when used in accordance with the proper operation and maintenance as outlined in the Quick Up Product Manual, and in accordance with appropriate requirements relating to this type of equipment. AHI further warrants that for a period of five (5) years after delivery, structural members shall be free from defects in material provided and workmanship when used under normal working conditions and in accordance with the proper operating and maintenance procedures as outlined in the Quick Up Product Manual. Warranty will only apply when written notice on any such defect and satisfactory proof thereof is promptly and properly given by the owner or user to AHI and such product shall have been returned to the factory if so requested, freight prepaid, and found by AHI to have been defective. No products shall be returned to the factory without prior written approval of AHI. No other express or implied warranty is given and on affirmation by the seller, by words or action, will constitute a warranty.

AHI makes no warranty and assumes responsibility for damage to, or defects in the product which AHI determines to have arisen from, but not limited to: overloading or other misuse, chemical action or the presence of abrasive materials, neglect or accident, nor does AHI make any warranty as to any product which has been repaired or altered in any way which, in the sole judgment of AHI, affects performance, stability, or purpose for which it was manufactured; modification of the construction of the product or change of the specifications by the owner or user without prior written approval from AHI; inappropriate use or repair of the product by the owner or user; improper storage or maintenance of the products by the owner or user. This warranty specifically excludes, and no express or implied warranty is given regarding, the use and consumption of the following expendable parts: oils, lubricants and coolants; fuel, oil and water filter elements; v-belts; fuses and light bulbs. AHI makes no warranty whatsoever in respect of parts, attachments or accessories not manufactured by AHI.

This policy of AHI as stated above is expressly in lieu of all other express or implied warranties, including warranties of merchantability and fitness of purpose. No person or entity is authorized to give any other warranties or to assume any other liability on behalf of AHI.

The sole obligation of AHI for breach of any warranty shall be limited to replacing or repairing any product shipped to AHI F.O.B factory, or, at the option of AHI, allowing credit equal to the purchase price for such product. In no event shall AHI be responsible or liable, under any warranty or other obligation in connection herewith or in connection with any product sold by AHI for any incident, indirect or consequential damages, or for any punitive or exemplary damages. In no event shall AHI have, for any reason whatsoever, any monetary liability in connection with any product manufactured or sold by AHI in excess of the purchase of that product.
